

SELECTAMARK STENCIL ORDER FORM

Decide how many items you wish to mark, then complete form below and email to: sales@selectamark.com.hk
Please note stencils can only be used once, therefore one stencil is required for each item.

You can mark property with company/organization name or initials etc - you decide and enter in boxes below.
We can also add sequential numbering for asset-tracking purposes, at no extra cost.

WE WISH TO ORDER FOLLOWING STENCILS (minimum order 100 stencils):-

	<u>Pieces</u>	<u>PRICE PER STENCIL</u>	
		<u>100 - 999 pcs</u>	<u>1,000+ pcs</u>
SINGLE LINE (max 20 characters)	_____	HK\$ 13.50	12.75
DOUBLE LINE (max 20 characters per line)	_____	HK\$ 14.25	13.50

(above costs include marking compound)

with the following lettering/numbers: (leave an empty box if you require a space between letters)

Required DOT-MATRIX letter size (as shown):   

PLS PROVIDE DETAILS OF MARKING COMPOUND YOU REQUIRE:-

<u>Type of Surface to be Marked</u>	<u>Compound colour</u>	<u>No. of Items to be marked</u>
<ul style="list-style-type: none"> PLASTIC (e.g. PCs, Office & A/V equipment) 	Blue (**)	_____
	White (**)	_____
<p>** <u>NOTE:</u> We recommend you use <u>BLUE</u> colour Compound wherever possible as it is stronger than the White Compound and will mark most plastics more deeply. <u>WHITE</u> compound should <u>only</u> be considered for plastic surfaces which are <u>black</u> in colour, if you want to have a more visible mark.</p>		
<ul style="list-style-type: none"> METAL (BARE only- not painted/coated) 	Metal Etch	_____
<ul style="list-style-type: none"> METAL (Painted only – e.g. fire extinguishers etc) 	Blue	_____
<ul style="list-style-type: none"> ALUMINIUM (BARE aluminium - NOT painted) 	Neutral	_____
<ul style="list-style-type: none"> WOOD surfaces (varnished, painted or natural) 	Blue	_____
<ul style="list-style-type: none"> GLASS 	Neutral	_____

NOTE: SELECTAMARK PLASTIC COMPOUND WILL NOT MARK METAL/PLASTIC COMPOSITES (USE OUR 'SUPERMARK ONE' or 'TESA' TAMPER RESISTANT LABELS INSTEAD). FOR BARE METAL SURFACES, USE OUR SELECTAMARK METAL ETCH FLUID.
