

SUPER MARK

A more sophisticated marking system.....

它是一個更完美的永久性防盜記號系統套裝

SUPERMARK ONE

These Security Labels have "MARKED PROPERTY" printed on them in red and are punched through with your customised message/ID, company name and/or sequential numbering. The Labels cannot be easily removed by thieves.

Supermark One provides these benefits.....

- a tamper resistant label
- permanent security marking
- professional image

這種永久性防盜標貼印有紅色的 "MARKED PROPERTY" 和你指定的訊息、郵編、公司名稱或數字。

Supermark One 能夠提供額外優點.....

- 難於除去的標貼
- 防盜記號
- 專業形象

21 x 85mm Label with single line punched

30 x 85mm Label with double line punched

SUPERMARK TWO

Additional features are.....

- personalized printing in colour
- company logo
- Chinese characters
- printed barcodes if required

Supermark Two is a superior system where the label can be printed to match your company branding, with logo/corporate colours etc. Barcodes can be printed if required.

The label is also punched through with a customised ID mark selected by you. Even if efforts are made to tamper with or remove the label (very difficult), your mark remains permanently etched into the item.

Marking Compounds are included to mark nearly all surfaces – plastics, painted surfaces, aluminum, wood and glass.

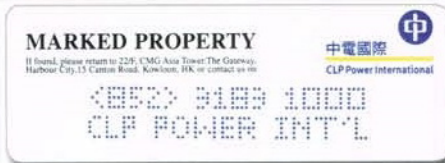

包括其他特點.....

- 個人化的設計及顏色
- 可印上公司標誌
- 可印上中文字體
- 可印 barcodes 作為自動識別用途

Supermark Two 是一個超卓的管理及防盜記號系統，它可選印指定訊息，並可選擇印上個人化的圖案及字句，包括公司名稱、公司標誌及 BARCODES 等。即使防盜標貼被除去，在防盜標貼上的記號會永久保留和滲透在物件表面上。

本公司有多種顏色的記號溶液可供客戶選擇，歡迎客戶查詢價格及索取樣品。
